Stockman Bank presents the 2nd Annual Pay it Forward Race-“Come Share the Memories of all the Great Barrel Racers & Supporters”-4D Barrel Race –June 17, 2012

Please join my family, friends, Huntley Project Wrestling Program, Billings Saddle Club and myself in the 2nd annual PAY IT FORWARD RACE. My dad, Ted Parini, passed away on September 6, 2010 at the ripe old age of 86 after watching my niece and sister compete in the barrel racing in Miles City. My dad taught me everything about horses and instilled a very strong work ethic in becoming an accomplished barrel racer. He supported me from my first barrel racing at “5” to continual racing into my 40’s. He was the one who had the “eye” and picked out my barrel racing star “Rodney”. After countless miles of riding Rod in the mountains, taking him around the barrels his very first time, Dad continued his support from the stands cheering us on. The support never ended there. He continued to be Rod’s main farrier, exercise help in the winter months, and even providing Rod a retirement home when his barrel racing career was over. My dad had so many favorite barrel racers that I could hardly find place to sit by him during the races as the seats were taken by so many wanting to visit with him. I have put on several barrel races over the years, some big some small. This race is by far the closest to my heart. I have decided to help host a race to honor my dad and the many other barrel racers and supporters whom now watch us from above.

Please help me and everyone involved make this race the best it can be. You can make donations in the name of a friend or loved one or you may choose to donate an award in their honor.
